LinkedIn: https://www.linkedin.com/in/gaurav-mehra-data-analysis/

Professional Summary:

Passionate computer science enthusiast pursuing a BTechin Computer Science & information technology. Specializing in data analysis and analytics. Known for being responsible and orderly. Seeking first work experience in the field. Relevant coursework includes Data Structures, Algorithms, Database Management, and Probability and Statistics. Analyzed data sets to uncover trends and insights, developed data models for predictive analytics, and designed and implemented data visualization dashboards. Data collection and cleaning processes. Communicated finding through reports and presentations, extracted, transformed, and cleaned data from various sources, and validated data integrity and accuracy.

Hard Skills:

- Data Analysis/ Analytics
- ETL (Extract, Transform, Load)
- C/C++
- Java
- Python
- SQL/MYSQL
- MS Excel
- Data Visualization
- Data Cleaning
- Power BI Reporting

Soft Skills:

- Analytical Thinking
- Problem-Solving
- Teamwork and Collaboration
- Critical Thinking
- Decision-Making
- Attention to Detail
- Time Management
- Communication Skill
            (Hindi, English)

Certifications:

- [career essentials in data analysis]
- [career essentials in software development]

Project:

- Excel-Data-Analysis: Developed an Excel Visualization Project to create impactful data visualizations from Excel data.
- Power Bi Project: Developed interactive dashboards and reports in a Power BI project to visualize complex datasets effectively.
- Statistics Data Analysis: Conducted statistical data analysis to uncover insights and trends using statistical methods and tools.

Professional Accomplishments

- Project Completion: Successfully completed various projects demonstrating strong analysis abilities.
- Academic Excellence: Maintained a consistency high CGPA throughout the Bachelor's program in Computer Science at Bikaner Technical University. Reflecting dedication to academic excellence and mastery of core concepts.

Education:

BTECH-BIKANER TECH. UNIVERSITY
(Bachelor's Degree in Computer Science)
FAUGET COLLEGE: 2021-2025

Experience:

Fresher
